BRANCH OFFICES

- Zollikofen (BE)
- Davos (GR)
- Givisiez (FR)
- Horw (LU)
- Münchenstein (BL)
- Le Mont-sur-Lausanne (VD)
- Zürich (ZH)

SUBSIDIARIES

- Egli Engineering AG
- Terre AG

BRANDS

- Tensor
- GI-ANT

EXECUTIVE BOARD

Daniel Tobler

Marco Arni

Daniel Bieri

Laurent Steidle

Marco Arni, Certified Public Accountant
Daniel Bieri, MSc UZH/SIA
Laurent Steidle, MSc Geology
Daniel Tobler, MSc Geology ETH/SIA

BOARD OF DIRECTORS

President: Dr. Andreas Kunzmann
Members: Felix Bussmann, Rachel Riner, Laurent Steidle,
Nicolas Stork, Daniel Tobler, Andreas Waldmann

NUMBERS AND FACTS

- More than 200 employees across 7 locations in Switzerland
- 8 business areas and experts from around 15 disciplines
- Annual revenue of CHF 33.9 million
- Active in the geosciences since 1962
- Owned by its senior employees – independent and focused on the long term

FIELDS OF ACTIVITY

- Geotechnics, construction ground investigation, soil mechanics, foundation engineering
- Groundwater investigation and protection
- Environmental protection, environmental compatibility, landfills, contamination, building pollutants (asbestos, PCB)
- Soil protection and mapping
- Natural hazards, hazard and risk management, planning of protection measures
- Geology, engineering geology
- Project development
- Construction in rock, rockface stability, tunnel engineering
- Geothermal energy
- Geoinformatics
- Measurement technology, instrumentation, surveillance systems
- Building inspections, crack surveys
- Geophysics (seismics, geoelectrics, borehole measurements)
- Extraction of raw materials, excavation planning
